

St Tropez Nov 19/32

Dear Mr Kinzinger.

I am writing English because it goes quicker. And I want this to go down to the P.O. in time for the one o/c collection. I fear I have unwittingly placed a burden on your and Mrs K. in re my coming to <sup>if</sup> Munchen. Please forgive me. I really did not mean to bother both of you with my affairs. True, I should be happy to see you again and spend a few days with you ~~an~~ Mrs K. and little Didi. I really mean to come, if I get to Germany at all, and within easy reach of Munchen. ~~There~~ But that does not necessarily mean for you to go to all sorts of troubles to secure me a hearing.

Of course, if the society of ~~Mrs~~ Frau Hallgarten will invite me to address its members. That would be fine. But under no circumstances must either you or Alice waste time and effort to canvass other people or societies.

I am sorry to say I can not tell you when I will get to Germany, if at all. So far only two cities are definite, Berlin and Dresden for The International Woman's League of Peace and Freedom. The Liga fur Menschenrechte has not yet replied. And I also expect to hear from dem Verband fur <sup>d</sup> Geburtenregelung und Sexual Hygiene. Unless these two organizations book me I will not be able to come to Germany at all, since the two branches of the Frauenliga (so far apart as Berlin and Dresden, can not pay the fare, let alone anything extra. They do pay a fee. But it is not enough to ~~make~~

yet of equal universal import. Talk it over with her, please. And let me know.

It has been glorious here for two weeks. Last night it poured. And now it looks grey and depressing. I mean to leave her about Dec 20th for Paris very likely, only for a week or so. Then I am going to Antwerp for the holiday week to visit some friends. The 8th of Jan I go to Holland to lecture for two weeks. Then I want to go to Germany. If, If, If. I will keep you informed of course. Address me until the 20th of Dec. here. After o/c the American Express Co., 11, rue Scribe Paris, either under Goldman, or Colton.

Gratefully and cordially.
