***Mellon Library/Faculty Fellowship for Undergraduate Research***  
**GSI Questionnaire about Undergraduate Research Assignments**

Thank you for your time in responding to this questionnaire. Your feedback is important in assisting the development of future undergraduate courses at Berkeley. Please return this questionnaire to Sarah McDaniel either via email [smcdanie@library.berkeley.edu](mailto:smcdanie@library.berkeley.edu) or campus mail (302 Moffitt, MC #6000) by **[insert date]**.

Course Name: \_\_\_\_\_

Semester & Year: \_\_\_\_\_

1. How would you evaluate the design and implementation of the research assignment(s)? You may want to consider the following elements:

- Clarity of the learning objectives, instructions, and guidelines
- Helpfulness of preliminary activities, in-class discussions, or supporting material
- Timing of the assignment

2. What knowledge and skills do you think students acquired from doing the research assignment(s)? You may want to consider the following areas:

- Knowledge and skills related to the use of libraries and library sources
- Broader research skills
- Understanding of course materials and concepts

3. What recommendations do you have for improving grading efficiency and fairness, as well as the quality of feedback provided to students throughout the research process?
