NORTH AMERICAN ARCHAEOLOGIST

INSTRUCTIONS TO AUTHORS

Submit manuscript to: Roger W. Moeller
Archaeological Services
68 Sunny Ridge Road
Box 386
Rye, NH 03870

Manuscripts are to be submitted in triplicate. Return one copy, as accepted manuscripts will not be returned. Manuscript must be typewritten on 8-1/2" × 11" bond paper, one side only, double-spaced, with wide margins. Pages consecutively starting with the title page. The organization of the paper should be indicated by appropriate headings and subheadings.

Originality: Authors should note that only original articles are accepted for publication. Submission of a manuscript represents certification on the part of the author(s) that neither the article submitted, nor a version of it, has been published, or is being considered for publication elsewhere.

Abstracts of 100 to 150 words are required to introduce each article.

Bibliography: Use an internal reference system. (Example: (Adams, 1979:29-31.) Bibliography should relate only to references cited within text. State author's name, title of referenced work, editor's name, title of book or periodical, volume, issue, pages cited and year of publication. Do not abbreviate titles. Please do not use ibid., op. cit., etc., in cases of multiple citations.

Examples of listing:
ADAMS, WILLIAM H.

WATSON, PATTY JO, STEVEN A. LE BLANC, and CHARLES L. REDMAN

Footnotes should be avoided, but if needed they are placed at the end of the article. They should be numbered in the text with superior Arabic numbers without parentheses or brackets.

Photographs should be glossy print, showing high contrast. Label each with word "Top" to avoid confusion. All photographs and original artwork will be returned.

Figures should be referenced in text and appear in numerical sequence starting with Figure 1. Line art must be original drawings in black ink proportionate to our published page size (6" × 9"—illustrations 4-1/2" × 7-1/2") and suitable for photographing. Indicate top and bottom of figure where confusion may exist. Labeling should be 8 point type. Clearly identify all figures. Figures should be drawn on separate pages and their placement within the text indicated by inserting: —Insert Figure 1 here—

Tables must be cited in text in numerical sequence starting with Table 1. Each table must have a descriptive title. Any footnotes to tables are indicated by superior lower case letters.

Authors will receive twenty complimentary reprints of their published article. Additional reprints may be ordered.
