Open discussion and questions

- Depending on budget approval, the exhibit committee plans to update the online proposal form and include the Doe Library east and west corridor spaces, with revised timelines.
- The committee is considering how the exhibit schedule will be affected by the Library closure, and evaluating how we should approach rescheduling or postponing current and upcoming projects within the next six months to two years.
- Call for proposals will continue to be accepted on a rolling basis, but the updated proposal flyer will be sent to the Allusers email in summer or fall 2020.
