Agenda

1. **Announcements** - All
   a. Send Kristen workshop announcements to include in newsletter

2. **Fall Instruction round up** - Susan Powell
   a. Susan & Erica - Will teach 2 "GIS & Mapping: Where to Start" workshops in early Sept., and a web-mapping workshop later in September as part of the Digital Publishing workshop series
   b. Sam & Brian - LaTeX
   c. Sam - organizing IOP sponsored Peer Review workshop with LBNL
   d. Becky not teaching Mendeley (changing features, version)
   e. Introduction to Data Analysis and Visualization (Anna Sackmann, Lisa Ngo, Elliott, Data Peers)
   f. Michael - finding health statistics at DLAB (after mid-semester)
   g. All workshops mentioned above are planned as virtual and synchronous, but some people are pre-recording introductory messages for departmental orientations and content for course-integrated instruction.
   h. Kristen shared "[Creating Videos with Kaltura](#)," instructions she wrote for creating instructional videos.

3. **Check-in: Return to campus** - Susan Powell
   a. LHS librarians are planning FWA and a combination of on-campus and remote work for Fall. At least two librarians will be on campus on weekdays during BIOS open hours.
   b. EPS is also coordinating schedules. Tuesday will be a collaboration day when all EPS staff are on campus.
   c. EART is making plans to provide support for in-person Map reference for collection access.
   d. Discussion of calendar/appointment options for virtual vs in-person.

       i.   Removing @berkeley limit so that public patrons and students using other emails can make appointments.

4. **Check-in: Primo/UCLS tips and quirks** - All
   a. Michael shared an example - results listed as "available online" don't match what is actually available online.
   b. Brian reported that some records marked as Open Access have no link (escholarship example).
   c. Misleading JSTOR records showing up
   d. Becky taught her first session with UC Library Search for https://seedscholars.berkeley.edu and realized that 'and' is different than 'AND' when constructing a search (we should use AND)

5. **Sharing of anti-racism & social justice work (workshops attended, project updates, etc.)** - All
   a. Susan, Kristen & Erica led third workshop in EPS Division Anti-Racism team learning series (https://guides.lib.berkeley.edu/antiracismteamlearning) and presented at STEM Library Collaborative Conference about the series (http://ucblib.link/3ia)
   b. LHS staff completed a trauma-informed library practices workshop.

6. **Around the table**
