Agenda

1. Announcements

- a. None.

2. Task Force on Racial Justice discussion w/ guests

- a. Sciences Council had an engaging discussion with guests Shannon and Sheehan, who answered questions, mainly around how the “areas of work” identified by the RJTF were developed and what the plans were for the new standing committee.

3. Science Council leadership plans for Spring 2022 - All

- a. Susan will be on leave until May-ish. The group does want to meet in Spring in some way, but will need to figure out leadership. EPS & LHS will each discuss separately and formulate a plan.

4. Function Council, Committee Representative, & SILS reports

- a. Due to lack of time, these were shared via email.

5. Around the table
