

Sciences Council Meeting of February 3, 2022

9:00 – 9:50 AM

Zoom

Present: K. Greenland, B. Miller (interim Chair), H. Muhr, L. Ngo (recorder), B. Quigley, M. Sholinbeck, E. Smith, S. Teplitzky (facilitator)

Agenda

1. Announcements
 - a. Submissions are open for STEM Librarians Collaborative Conference:
<https://www.stemlib.co/>
 - b. STELLA! Unconference is taking place in person this year, October 21-22, 2022:
<https://stellaunconference.com/>
2. What support or training would Sciences Council members like regarding instruction?
 - a. The group developed a list of topics they would like to learn more about. Many of the topics fell under assessment of instruction. The list was shared with Nicole Brown in ISD.
3. Follow-up on discussion of Collections Analysis and Assessment from December's meeting
 - a. B. Miller described some examples of her usage of GreenGlass and Alma Analytics for collections assessment
 - b. More to come from staff training group on Alma Analytics
4. Function Council, Committee Representative, & SILS reports
 - a. C & M Council: Adam Baron, the new Head of Metadata Services, shared a [Cataloguing Code of Ethics](#) with council members. There are plans to endorse it after the ongoing discussions at the council's February meeting.
5. Around the table
