2. Discussion: Future of Citation Manager Support in the Sciences

- a. Mendeley Institutional Edition (MIE) subscription ending in January
 - i. Becky will continue to update Mendeley libguide as we learn more from Elsevier regarding MIE transition plans
- b. To decide:
 - i. How best to communicate the MIE change to users?
 - ii. What support will we continue to provide for citation managers?
 1. Currently primarily promote Zotero, but we also have institutional support for RefWorks
 2. Continue to list other citation managers in LibGuides?
 3. Offer workshops on other citation managers if there are enough people asking? (like for a lab group, etc.)
 4. Maintain other instructional materials like LibGuides and exercise sets?
- c. Zotero issues to keep in mind for support questions
 - i. Does not support LaTeX mathematical symbols/Greek letters in exported article titles
- d. Jennifer Dorner has scheduled advanced Zotero workshops for September
- e. Conclusions
 - i. Reflect on discussion and make decisions in future meeting

- ii. Becky - will draft a message that we could send out to liaison areas about MIE subscription ending
- iii. Brian - will research JabRef as Mendeley alternative in math
