

Candidate Statement, LAUC Secretary
Rachel Green, LAUC-LA

Statement of Interest

I am thrilled to be able to run for the position of LAUC Secretary and to continue building my relationships with librarians across campuses. This past year, I served as UCLA's representative to the LAUC Research and Professional Development (R&PD) Committee and had the opportunity to see and review the amazing work being done by my colleagues throughout the state. I have also been active on my local campus, serving last year as member and this year as chair of UCLA's R&PD Committee. In my time here in the UC system, LAUC has been one of my most rewarding work activities, because it has provided a great way to get to know other librarians and the incredible work that everyone does. I would be honored to serve as Secretary at the Statewide level and to continue my service to our Librarians Association.
